March 20, 2020

Greetings in the name of Jesus Christ and the Bucyrus UMC,

As I am sure all of you are aware of by now this Coronavirus has turned life as we know it upside down. It is a fast moving and ever changing situation. I and the rest of our staff are trying to stay on top of it as much as we can. The main concern we have and the guiding principle we use is your safety. Everything we are doing is to prevent you being infected or even dying due to this disease. We do it because we love you and care for each and every one of you.

In light of our recent information from the East Ohio Conference of the UMC and the Governor of our state we are in need of cancelling more services. We will now also be closed Sundays March 29<sup>th</sup> and April 5<sup>th</sup>. We are hoping to be able to hold our Easter services in the church but this looks dim for us too.

In the meantime, so we can stay connected to you through worship and you can continue your Sunday worship as the Bucyrus United Methodist Church we have begun recording a service for you which you can watch on Sunday morning or when you get the chance. If we all watch it at 10:30AM we will be together even as we try to keep a distance and be safe. Watching is easy. Go to our website at [www.bucyrusumc.com](http://www.bucyrusumc.com) and click on the "sermons" tab. From there go to the date of the Sunday you want and click on the tab for watching the service. We are praying this will serve your spiritual needs and health until we can gather with you all in person again. These services will grow as we add more to them each week.

Remember that this virus has cancelled a lot of things but it hasn't cancelled our love for you, it hasn't cancelled God's love for you or his presence with you, and it can never cancel the light of Jesus Christ in the world. So until we gather again...

The Peace and Grace of Jesus Christ be with you All,

Pastor Mike
